

Greetings,

My name is Jason Fuller and I am the President of the Central Band Music Boosters. We are purchasing an Equipment Trailer to support our Spectacular, Hard Working Marching Band. This New Trailer (Large over 20') will be getting wrapped completely and we are looking at selling advertising space to help offset some of the costs. This opportunity is great for local exposure. Our Trailer is stored within Central High School's Football Stadium. It is Visible from both First Ave and the stands in the stadium. It will be seen during any event that is held in Central's Stadium, which is used more than any other EVSC Stadium due to the spectacular parking. Additionally our band travels with the trailer around the city and to Indianapolis From September through November.

As this is a wrap you may design your ad in full color. This wrap will remain on the trailer for a minimum of 3 years, through 2024, gaining you years of exposure. In addition, you also receive the benefits of a full sponsor on the second page based on your donation amount.

Central High School Instrumental Booster Club is a 501c3 so your donation is fully tax deductible.
